NOTICE TO MECHANICS—Temporary shortage of gravel cars make inadvisable for more mechanics to come to Ripley if obliged to get work at home. Heavy construction delayed for probably two weeks. But excellent opportunity for mechanics who are foot loose and who may be glad to get lumber through us at cost plus 10 per cent. We buy in \$20,000 lots, whole sale, and can be had in 100 lb. or in 1000 lb. lots; can be bought at \$10 per month, prices \$220 to \$235 for good ones. Housing accommodations are not being built fast enough to take care of mechanics alone, so say nothing of others. Our work not stopped, merely enough mechanics on hand or in correspondence with us to take care of concrete construction for a few weeks. Pull program will cover between \$20,000 and \$30,000 worth of construction between now and May, twice as much next fall and winter. Good mechanics never idle long in this valley.

If the prospects look good come over; don't expect long letters in answer to a lot of questions. We are too busy building the new city of Ripley—the only live inland new city on the map—to write many letters.

Buy tickets to Ripley, via Ellythe. Regular train service 4 days week begin Oct. 4. Don't come unless you have tent and bedding or will build, large or small, on your own time and funds will help we offer above. Watch for our ad when we are ready for more men on concrete buildings. DURING WAR HE WAS IN REICHSTAG NOW HE'S IN FRENCH ASSEMBLY

PARIS—The recent presidential election revealed an interesting sidelight during the World War: During the war German armies were menacing Paris Abbe Wetterle was in the German reichstag. Now he's a deputy in the French assembly! He helped elect Premier Millerand to the presidency. Deputy Wetterle (left) represented one of the Alsatian districts in the reichstag, but now he represents his people in the French assembly. At the right is Minister of Transportation Jourday.

DEMOCRATS HOLD RALLY AT PEORIA

PEORIA, Oct. 19.—The Democratic rally was a patriotic event in Peoria. The meeting was called to order by C. A. Dugger and Vernon S. Wright introduced a chorus of the national anthem, their characters and qualifications.

George W. Cummins disclaimed that he was the fellow for whom the taxpayers were polishing their clubs. He explained his inebriety in the matter of increased taxes. In fact, he gave a lucid explanation of how taxes were assessed and that the assessor was not the profiteer.

O. D. Betts reminded the people of Peoria that he was their neighbor and of their obligation as such to do good to him. He wished not to fall into the hands of thieves, but honest men. He wished to represent them in the lower house and his neighbors were the ones to give the enabling act. He made quite a happy hit.

Judge Gilbert warmed and glowed over the possibilities of happiness brought about with good roads. He spoke of the history of roads, the philosophy of roads and the economic possibilities of good roads for the valley. Judge Davis made a great speech for the limited attainments of Wilson's last administration were in the hands of the Republic's senate.

Churches. The Ladies' Aid of the Presbyterian church will have a special meeting on the church lawn Thursday at 4 p.m. for the purpose of arranging for a bazaar during the first week of December. The Nazarene church will have a visit of their zone secretary of home missions and evangelism, Rev. C. E. Roberts, and wife. They have been in conference from Friday to Sunday night. Rev. Roberts' room has been here to Phoenix on like business, thence to Salt Lake City.

But the coming event with the Nazarenes is a meeting to be held commencing November 3 by Rev. Earl F. Wild and wife, accompanied by their son and his wife. This is a quartette of famous singers. They have sung on various great occasions.

Personals. Mr. and Mrs. J. N. Elder arrived in Peoria Saturday from Indiana, Pa., by way of Fort Collins, Colo. They will spend the winter with their daughter, Miss Edna Elder, who is teaching in the Central grammar school.
